THE SCRIPT

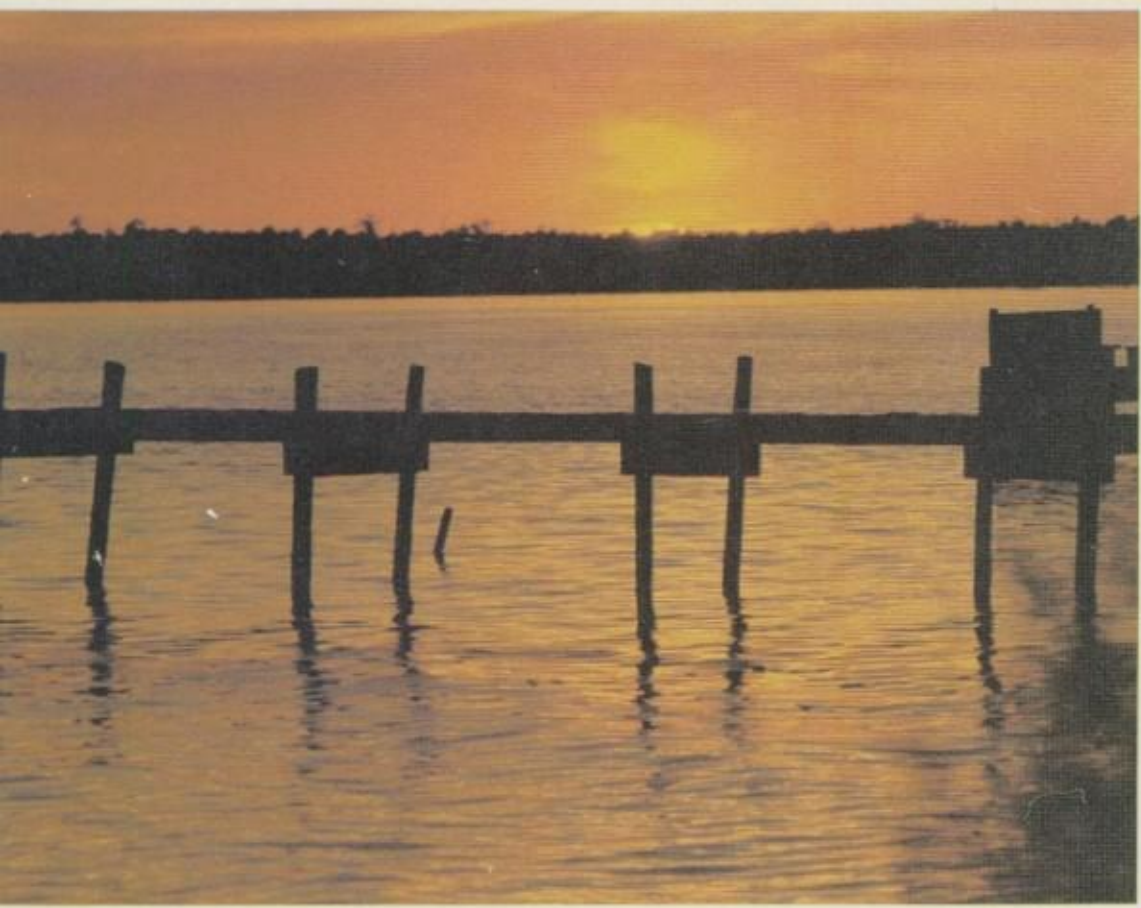

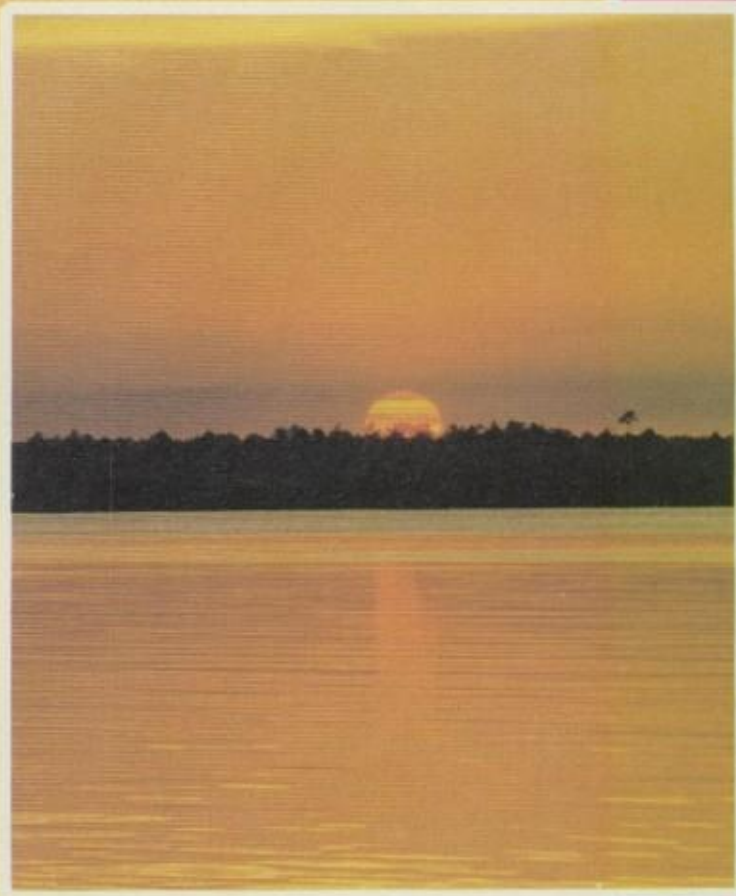

What is the purpose of the high school annual? In addition to keeping the yearbook staff off the streets and deeply in debt, it serves to immortalize in living black and white all the inmates at J.A.W. so that in twenty years your kids can split their sides laughing at the hairstyles and in fifty years you can prove to all your friends at the nursing home that you really were the Homecoming Queen before your teeth fell out.

There is evidence to suggest that we perform a very valuable service in providing something to stare at when circumstances make it impossible to ask the object of one's affections for an autographed 5 by 7. Not to mention how stupid you'd feel asking people to sign your English book. However, there is another facet to a yearbook's usefulness. It ties the book together and gives the staff something to do, besides blowing Sunday afternoons or pulling your hair out and getting yelled at by the principal on Monday morning at 8'oclock.

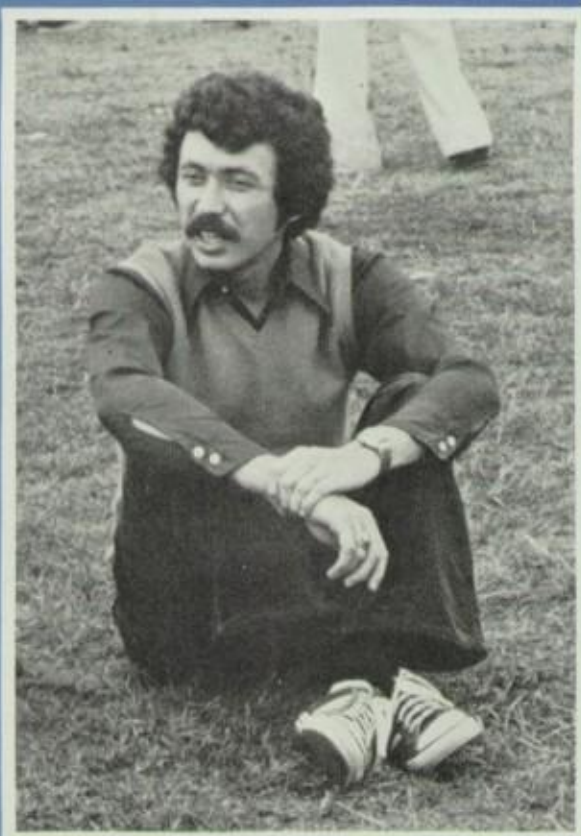

This year we, the **1978-79 Annual Staff** of J.A.W. High School, hope that this yearbook will help you remember what we feel have been . . .

THE TIMES OF YOUR LIFE

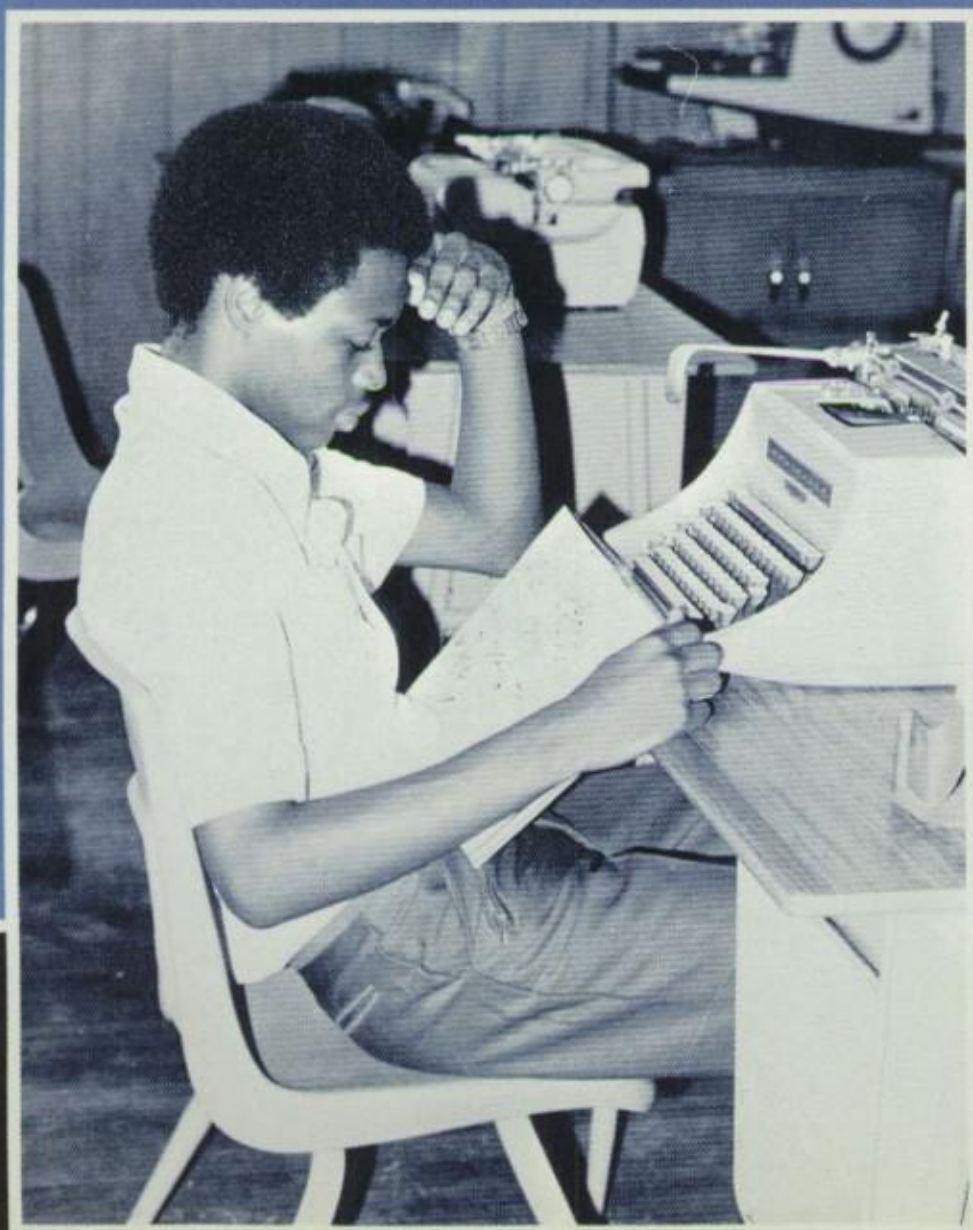

Good morning yesterday,
You wake up and time has slipped away,
And suddenly it's hard to find the memories you left
behind,
Remember, — Do you remember?

The laughter and the tears,
The shadows of misty
yesteryears?
The good times and the bad
you've seen and all the others
in between,
**Remember, — Do you
remember the times of your
life?**

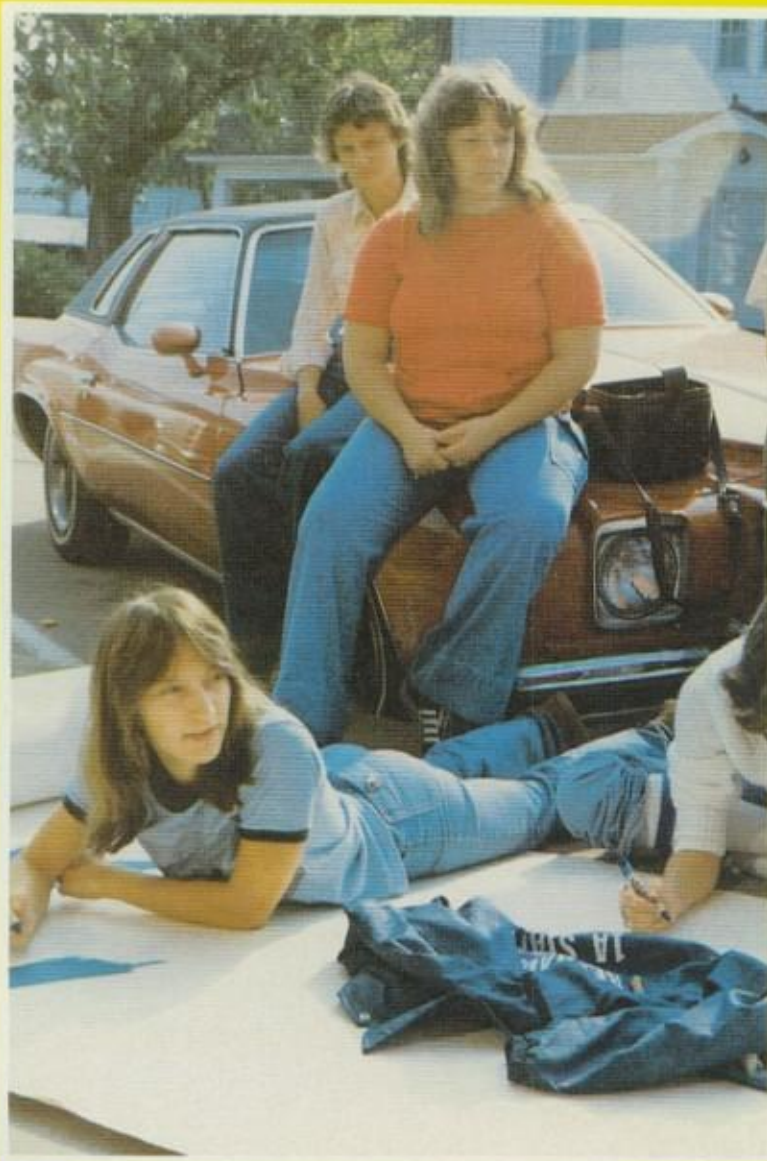

Reach back for the joy and the sorrow,
Put them away in your mind,
For mem'ries are time that you borrow
To spend when you get to tomorrow.

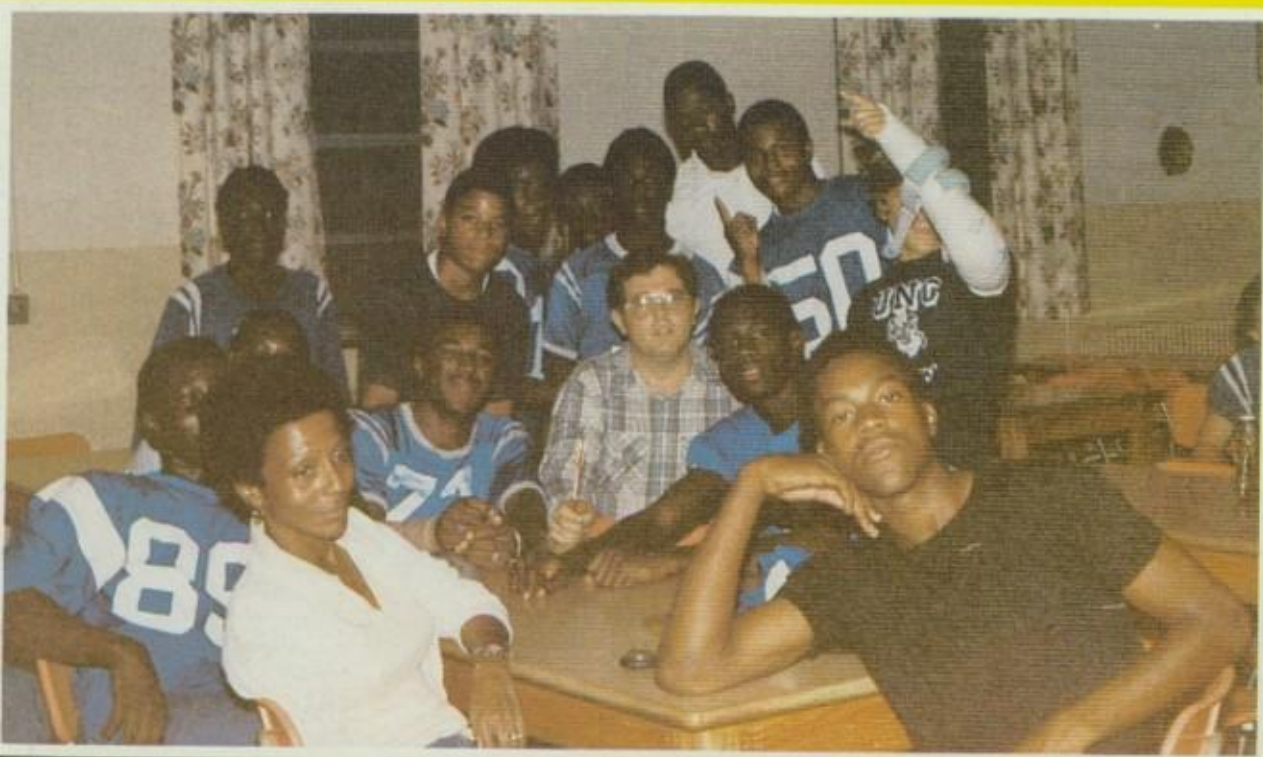

Here comes the setting sun,
The seasons are passing one by one,
So gather moments while you may,
Collect the dreams you dream today,
Remember, — will you remember the
times of your life.

So gather moments while you may,
Collect the dreams you dream today,
**Remember, — Will you
remember the times
of your life?**

John A. Wilkinson High School celebrated its annual Homecoming throughout the week of October 2-6, 1978. There were many exciting events taking place the whole week.

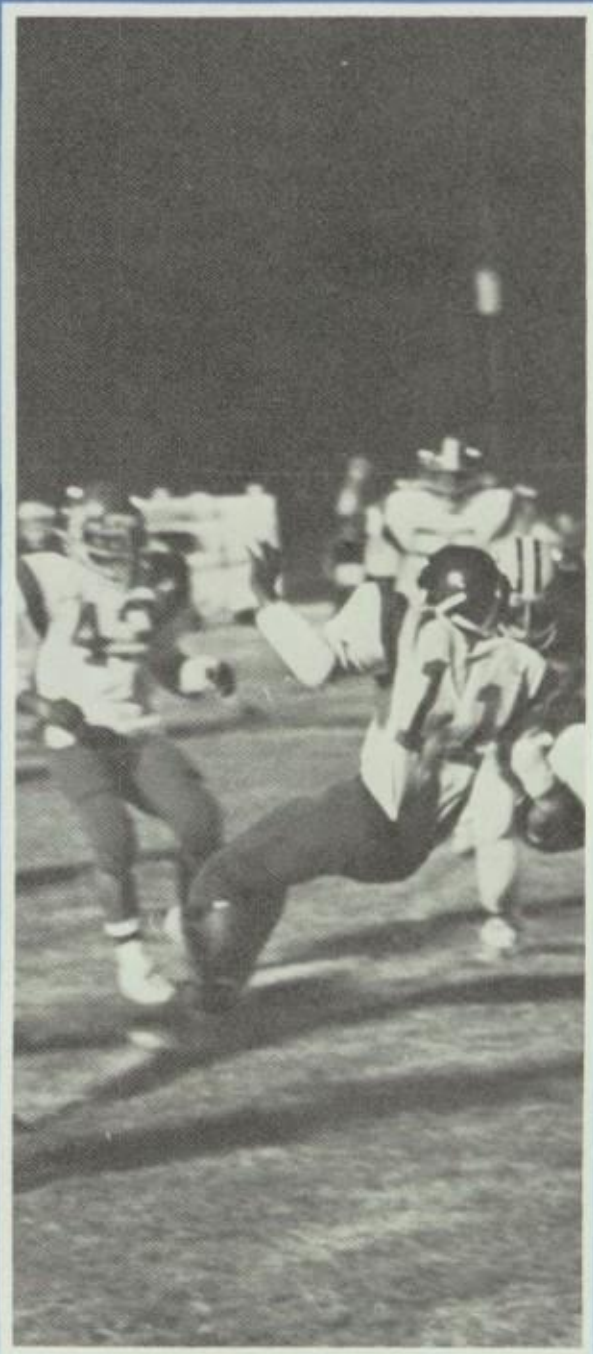

Monday was recognized as the beginning of Spirit Week. Tuesday was the day when most classes began working on their floats. Wednesday was "Tacky Day." Thursday was tabbed as "Blue and White Day;" the cheerleaders held a pep rally. The bonfire that night was followed by refreshments for the football players and cheerleaders. Friday was "Dress-up Day" and the Homecoming parade began at 5 that afternoon. The game followed at 8 that night.

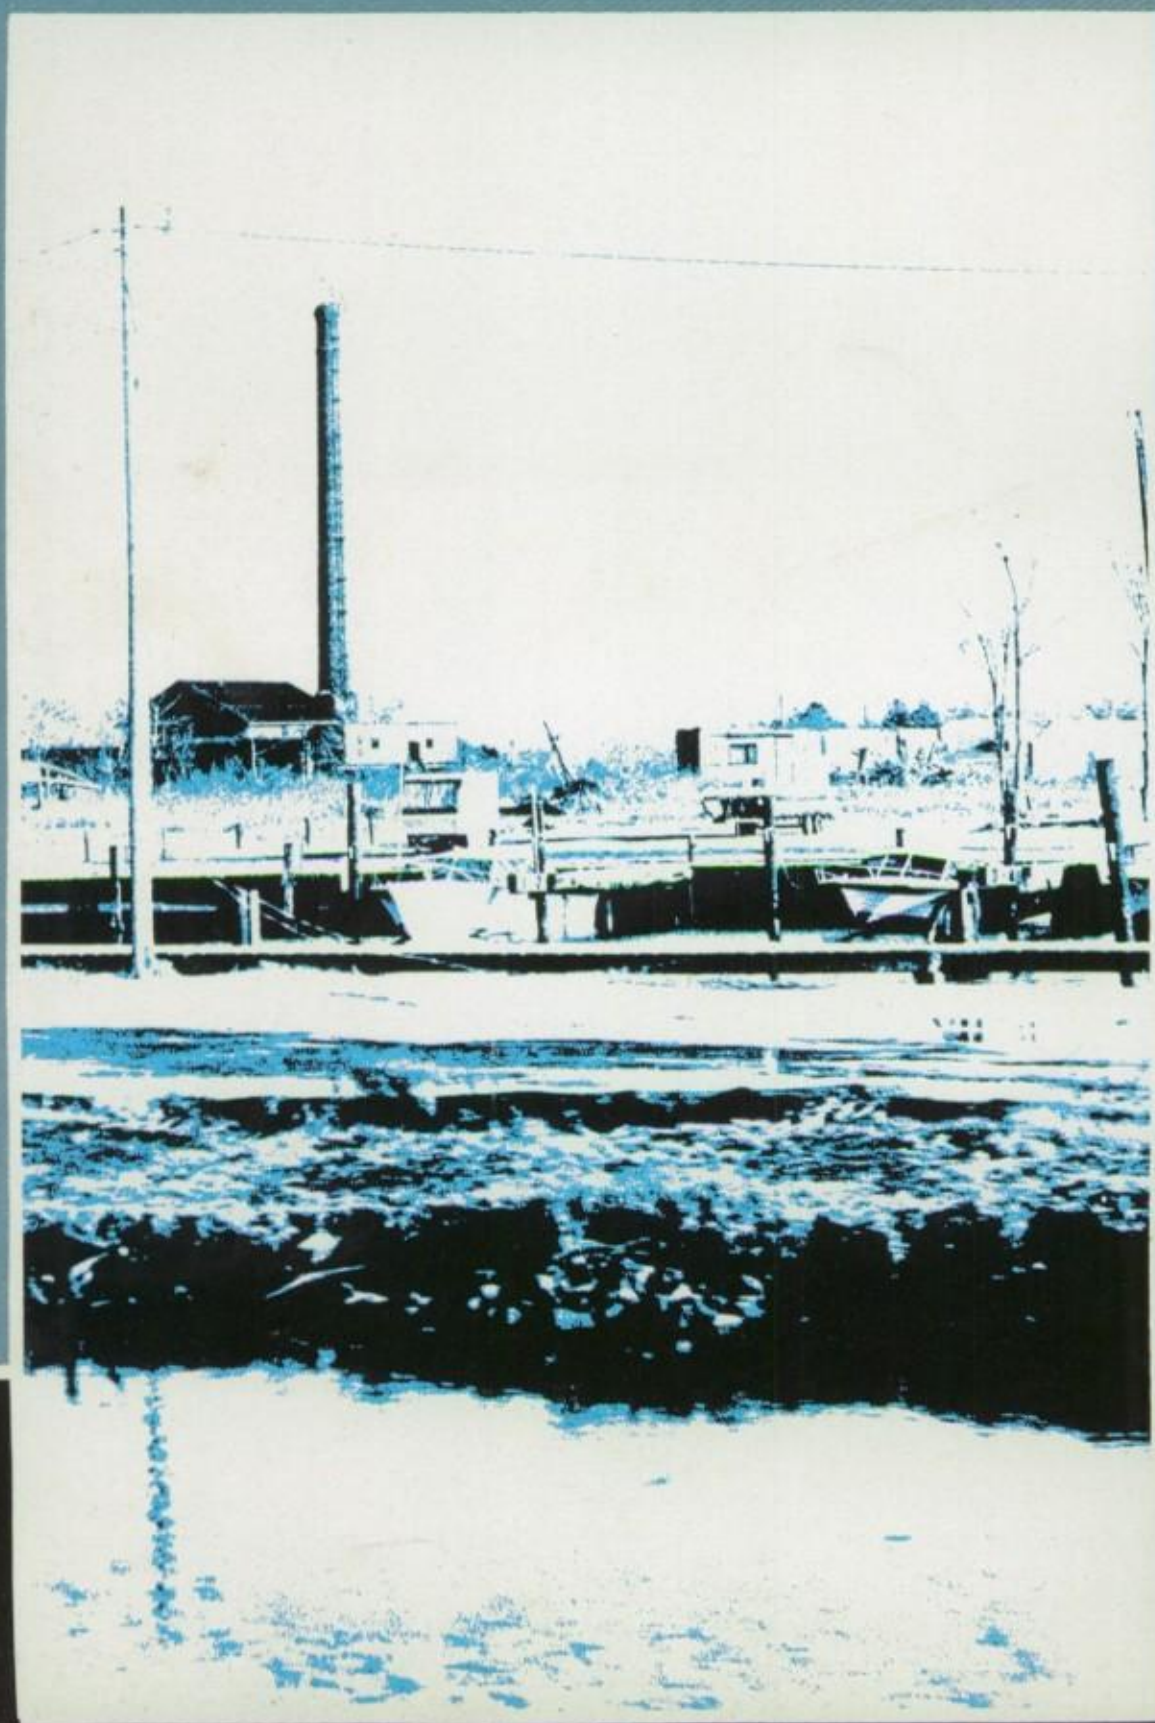

The biggest thrill of this year's Homecoming was the parade. It was the first one and created interest among the students. Each class constructed their own float and did it with a great deal of pride since the floats were to be judged and the winning class was to receive an open lunch period. The Juniors edged out the Seniors in the float competition.

JULY 4, 1978

MISS INDEPENDENCE

The Miss Independence Beauty Pageant is an annual event on the Fourth of July. Many people look forward to the excitement and suspense it brings. JAW is fortunate and proud to have Miss Independence, Cindy Midgette, a part of the student body, as well as five other girls who were in the contest. They are: Marie Boyette, Marie Johnston, Teresa Lowe, Deborah Spencer, and Johnsie Whitfield.

1978 STATE 1-A CHAMPIONS

The Belhaven Bulldogs boys' and girls' teams captured both state 1A championships in 1978. It was only the second time in state history that two teams from one school have taken the state title; but it was only the first time that the same coach guided both ballclubs. The Lady Bulldogs edged Hayesville in a come back effort 76-73. The Bulldogs rallied in the varsity game to win 77-74 over Clarkton. This great accomplishment will never be forgotten.

The Bulldogs posted a 5-5 record this past season. A lack of experience in several positions on defense was a major factor in their play. They had a talented team and put on some impressive performances. Coach Jones worked long and hard with these young men trying to mold them into mature individuals.

The Volleyball Team is a new sport this year at JAW. JAW is the first school in the area to start a team. Even though the team took some hard lumps from larger and more experienced schools, they never stopped trying. The Dallas Cowboy Cheerleaders aren't the only ones seeking attention and arousing the audiences these days. The Bulldog Cheerleaders are near behind. The squad is composed of 7 young ladies who work hard promoting school spirit. During the summer, they attended a cheerleading clinic and were awarded ribbons ranging from outstanding to superior.

She shows a genuine interest in the girls as individuals and a unit. Her most comforting words to the girls are, "I know you can do it." Below: Varsity performs a hand routine during halftime.

These two staff members are the ones who make sure the work of the others is complete and accurate; to see that the staff follows the correct guidelines, so there will not be any conflict between the publishing company and the annual staff; along with the advisor they make important decisions. We call these two the leaders of our staff.

This year we have been fortunate enough to have two photographers on our staff. They have given us some great shots and for this we are sincerely grateful. Our hats are off to these two fine people.

A good yearbook staff functions like a winning basketball team. The editors, like the team's captain, make the decisions and works with the staff members to follow through on assignments. The concerned staff members know their jobs and attempt to meet all deadlines so the book can be printed without delay. Of course, when a situation arises that calls for expert advice, the advisor, like a coach, should be ready to give assistance.

Nine members of our Matchapungoan Staff, along with the advisor, attended an East Carolina Workshop. The main purpose of this workshop was to aid in the production of our annual. The group found the workshop to be informative and very helpful in completing our book. We have worked hard for you, because we think the best deserves the best!

DEDICATION

Claiming the responsibility of Assistant Principal for the 1978-79 school year, Mrs. Hannah Martin has captured the attention of the J.A.W. student body in more ways than one. Aside from being an excellent teacher and an efficient disciplinarian, she is a dedicated educator. Mrs. Martin involves herself in many student activities and organizations. Having acted as Jr. class advisor for many years, she has coordinated the Jr.-Sr. Prom; and, this year she helped the Juniors win the prize for the best Homecoming float. Mrs. Martin has advised the annual staff for the last several years, and will be coaching the softball team for the third consecutive season this spring.

We, the 1978-79 **Matchapungoan** staff of John A. Wilkinson High School, would like to honor Mrs. Martin for the role she has played in our lives by dedicating this year's annual to her.

LUNCHROOM STAFF

Everyday these five ladies work hard in order to prepare the faculty and always starving student body with a nutritious meal. We often take their dependable work for granted; but, where would we be without them and the LONG line.

CUSTODIANS

These two folks work very hard to keep our school clean. They put in long hours, clean, and pick up after all of the students. Often, these duties go unnoticed but, we really appreciate their hard work.

ADMINISTRATION

BEAUFORT COUNTY SCHOOLS

This final year of your association with the friends you have made during your twelve years in school will be, I am certain, a year you will remember always.

The years of sharing the pleasures of learning and self realization as you progressed toward adulthood, and the frustrations and disappointments which were a natural part of this progress have molded your life in a way which, to some extent will never change.

If you will carry the good things which are right and true, you should have a full and interesting life.

This is what your friends wish for you.

God Bless You Seniors

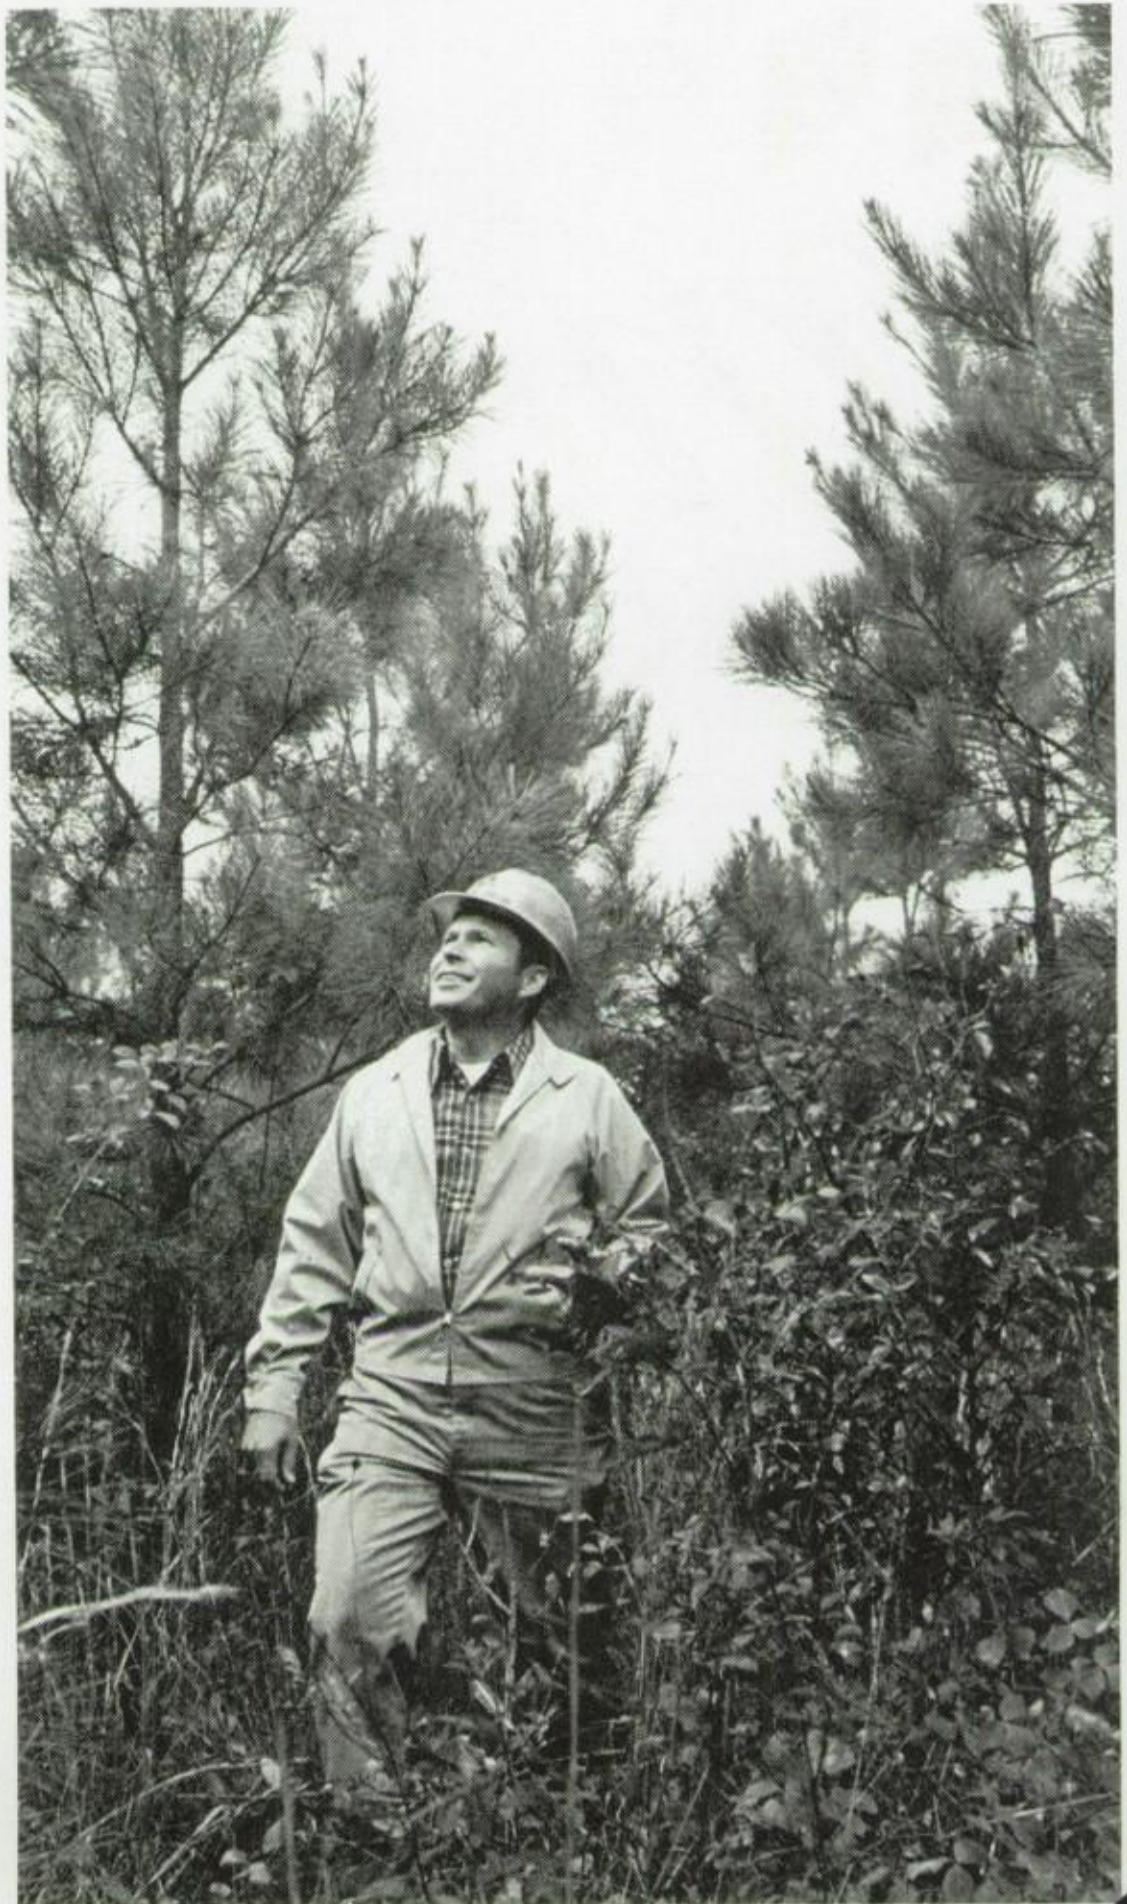

We're here to stay. So are the trees.

Weyerhaeuser has made a major commitment to the people of this region. Because we're here to stay.

We're far more than a timber company. We're an integral part of the economy. We provide jobs, revenue for local business, and tax money for roads and schools.

We're equally committed to keeping the forests green and growing forever. Our High Yield Forestry program is a continuous cycle: We plant, thin, harvest and plant again.

In this way, there will always be lumber, wood products and growing green forests. And jobs for the people who work with them.

Weyerhaeuser

"Sixteen years and still going strong" would probably be more appropriate as the motto of the Belhaven Alumni Club. The dedication and sincerity which founded the former Belhaven High School Alumni Club sixteen years ago is alive and being nurtured today by the members of the Belhaven Alumni Club.

Only the name has changed. The ideal and purpose that grew out of an idea conceived by Mrs. Louise S. Jennette on a wintry night in 1963 has metamorphosed into nearly 500 years of collective service to the Belhaven Community.

During this period of time, nearly 40 Junior Alumni are the recipients of the Alumni Award. Through community support, it has increased from \$50.00 in 1963 to \$400.00 in 1977.

Margaret,

I've really enjoyed getting to know you this year, and being able to cheer with you. You're really a very sweet young lady, and I'm glad I had the pleasure knowing you. I hope that we have a very successful hearing season next year. and always remember that, if it seems as though I'm just getting down on your back about cheering, don't think it's anything personal. It's just because, I know you have the capability, and I don't want you to waste it! Good luck in life and remember me always! A friend forever,
